

## Thesis: plan

<b><i>The student</i></b>	<i>Surname, name, University code (Matricola)</i> <i>Master Degree in:</i> <i>E-mail:</i> <i>Skype account:</i>
<b>Title (draft)</b>	Please insert the title of your thesis
<b>Research questions</b>	What are the research questions you want to explore and answer with your thesis? What are the objectives/aims of your work? What do you want to show/demonstrate?
<b>Methodology</b>	Please insert the methodology you want to use to answer the research questions.  For example, are you going to make interviews to stakeholders? Whom to? How many? How will they be selected? Will you use a questionnaire? How will collected data be elaborated and analyzed?
<b>Summary (draft)</b>	Redigere un indice provvisorio dei capitoli della tesi, che faccia capire la "logica" di tutto il lavoro ("per parlare di questo devo prima aver parlato di quest'altro e quest'altro ancora").
<b>Expected results</b>	What do you expect to obtain/demonstrate with your work? Which are the main results you think you will obtain, in relation to your research questions ?
<b>Bibliographic references</b>	Insert the bibliographic references you have used to draw this plan.
